Your Chance to Create Meaningful Change

On behalf of Pro Bono Network, we are excited to announce our upcoming event, Justice Talks, which will take place on Thursday, October 10th, 2024 at Nineteenth Century Charitable Association. Justice Talks will bring together thought leaders, legal professionals, advocates, and community members for an inspiring evening of discussion and action. Guests will enjoy a delicious dinner, drinks, and the chance to support PBN through donations and bidding on silent auction items. The funds raised during this event will support Pro Bono Network's mission to provide critical legal assistance to individuals and families who cannot afford legal representation in civil matters. We would like to invite you to be part of this event as a sponsor.

Pro Bono Network (PBN) is an Illinois nonprofit that partners with local legal aid and social service agencies to connect volunteer lawyers with clients in need of civil legal assistance. PBN makes attorney volunteerism work, bridging the gap between the need for civil legal aid and the untapped potential of volunteer attorneys. With more than 85 percent of low-income Americans' civil legal needs going unmet annually, the legal aid community faces enormous demand for its services. We provide attorneys with structure and support so their volunteer commitment fits their situation, while increasing the number of cases our partners can take on. **Pro Bono Network makes it possible for more people to access justice.**

We would like to invite you to join a group of amazing companies and individuals who support the mission of PBN. Please see the attached sponsor packet with more details on different sponsorship opportunities. In recognition of your generous contribution, we will prominently feature your business in our event program, on our website, and through our social media channels. Additionally, you will receive acknowledgment during the event, providing excellent visibility and appreciation from our attendees. It's an excellent opportunity for you to showcase your support for equal access to justice and our community while building brand awareness for your organization.

Thank you in advance for your consideration and support. Together, we can make a significant impact on the lives of those who need it most. If you have any questions, please do not hesitate to contact us using the information below.

We look forward to your participation in Pro Bono Network's Justice Talks event and to celebrating our shared commitment to justice for all.
