About Pro Bono Network

Pro Bono Network (PBN) trains and supports attorneys to provide those in need with critical legal services. In America, 92% of low-income individuals do not have any access to legal help. PBN purposely works to expand existing legal aid agency services by creating the infrastructure necessary for attorneys to volunteer, most of whom were not volunteering for legal aid prior to finding PBN.

LEGAL SERVICE PROGRAMS

PBN programs are developed to support our volunteer attorneys while also expanding access to legal aid. Through our unique model, we forge collaborative relationships with legal aid agencies, and together develop mutually beneficial programs that expand legal assistance.

- Guardianship
- Divorce
- Domestic Violence
- Expungement
- Immigration
- Incarcerated Survivors
- Online Legal Counseling
- Elder Law Clinics
- Social Security
- Tenant Advocacy
- Wills & Powers of Attorney

THE IMPACT

Since 2011, PBN partnered with more than 20 community organizations and legal aid agencies. We have recruited and supported over 425 volunteer attorneys who contributed 28,000 free legal hours to help more than 4,700 clients – totalling over \$7 million in free legal services.

Your Sponsorship Makes a Difference

We invite your organization to join PBN as we embark on our future with a deeper sense of purpose and strategic direction. As a sponsor, you will provide justice for those in need without duplicating resources. You will empower attorneys with the tools to serve even more low-income individuals. It is with your help that we can transform even more lives by increasing access to legal representation.
